### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Lawrence T. Cullen on 22 December 2005.

2. The claims have been amended as shown in Attachment A.

#### ***Allowable Subject Matter***

3. **Claims 1-20** are allowed.

4. The following is an examiner's statement of reasons for allowance:

5. The prior art of record does not teach or fairly suggest the following: A method of seamlessly transferring a communication session between a correspondent device and a first device from where the session is transferred from a first device to a second device via a session agent where the session agent assumes the IP address of the first device and intercepts data packets associated with the transferred session and forwards it to the second device and a temporary IP address is generated for the first device in order to allow it to participate in communication sessions different from the transferred session. This feature is recited in the independent claims 1, 10, 14, 17, 19, and 20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
